

Raul Romano M.

Digital Matte Painter / 3D Generalist / Motion Graphics

Portfolio: <https://raulm12.wixsite.com/raul--portafolio> Email: RaulRM_VFX@hotmail.com

I studied Interaction and Animation Design, and earned a diploma in Digital Matte Painting from Vancouver. This background equipped me with the skills to work as a versatile generalist across multiple disciplines, including design, audio and video editing, animation, motion graphics, and 3D environments. As a 3D Generalist and Digital Matte Painter, I focus on crafting captivating and visually impactful content that supports storytelling and enhances the viewer's experience.
